Covid-19 Update H243.1400 – Employees required to support Essential Business

To Whom It May Concern

Hally Labels is a supplier to various essential businesses including supermarkets, pharmacies, food and beverage manufacturers, and other FMCG and healthcare organisations. The list of essential businesses provided by the NZ Government confirms our ability to continue to operate at Alert Level 4 (refer to <https://covid19.govt.nz/government-actions/covid-19-alert-level/#essential-businesses>). Without labels, vital products and services will not be able to be provided to the community.

Our employees will need to travel to and from their place of work, for various shift patterns, during the next few weeks. Please allow them to do so.

Do check our website for confirmation, or call me personally should you need to verify the identity of one of our employees.

Yours sincerely
