

Introducing the

Hally Liner Recycling Programme

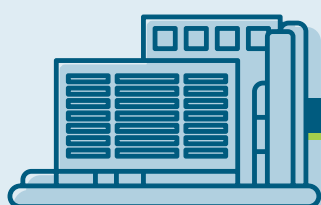

Six simple steps to reduce your waste to landfill and make a positive change for good!

1

**Join the
Hally Liner
Recycling
Programme.**

Choose from our
flexible shipping
options.

Label materials are
created at our supplier

**HALLY
LABELS**

Labels are printed
at Hally Labels

You apply labels to your product

Liner recycling begins

4

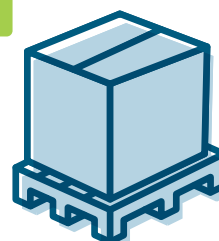

When you have filled your box.
Contact us and we will
organise pick up or delivery
to nearest depot.

3

You start recycling!
Fill your box with liner that
follows our **Recycling Rules**.

2

We ship Hally approved liner
box and pallet to you.

5

**Hally confirms and invoices
external freight costs.** If
agreed, new liner box and
pallet is delivered to you.

6

Liners are sent for recycling.
Liners are shipped on your
behalf to one of our designated
recycling facilities.

**Liners are
given a new life**
as upcycled
tissue paper
and magazine
grade paper

Packaging Menu

A breakdown of the costs involved in our Liner Recycling Programme.
